

Resident Tax Return Filing is Required

Municipal Tax Section of Municipal Tax Division - Information Card

Since the following members of _____'s household have not filed a resident tax return for FY2024, we are unable to determine the requirements for payment of Priority Stipend in Response to Rising Prices.

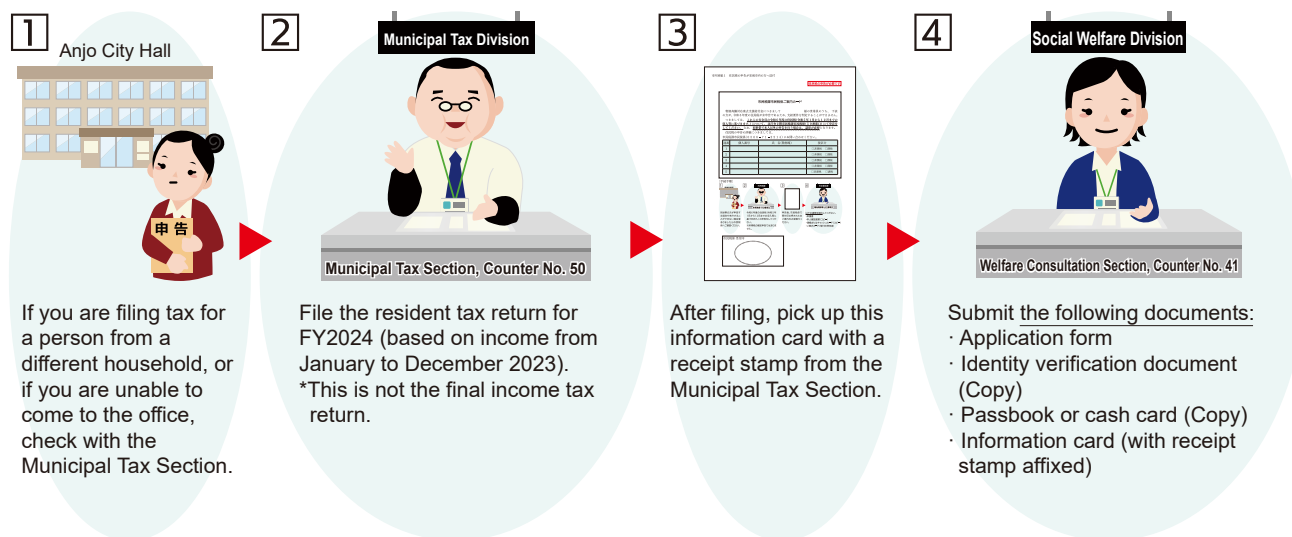

Therefore, **file the resident tax return for FY2024 (based on income from January to December 2023) at the Municipal Tax Section of the Municipal Tax Division on the second floor of the North Building (at Counter No. 50).**

Note that if you are filing a return on behalf of another person in the same household, a personal seal is required.

For details on filing resident tax returns, contact the Municipal Tax Section of the Municipal Tax Division (0566-71-2214).
