

You must file your resident tax return for FY2024 in the city, town, or village where you are registered as a resident as of January 1, 2024.

Information for Filing Resident Tax Return for Those Living Outside of Anjo City

Since the following members of _____'s household have not filed a resident tax return for FY2024, we are unable to determine the requirements for payment of Priority Stipend in Response to Rising Prices. Therefore, **file the resident tax return for FY2024 at the city, town, or village where you are registered as a resident as of January 1, 2024.**
