

You may now use a

Video-Phone Interpreter

in Anjo City Hall!

What is a Video-Phone Interpreter...

An interpreter appears on the Video-Phone screen and interprets for you at the customer counter.

We will help interpret your concerns.

1. How to use

You may use the Video-Phone Interpreter when you need an interpreter at the City Hall customer counter.

2. Where can be used

Anjo City Hall customer counter

3. Languages that can be interpreted and available hours
